

The Management Centre

Internship Opportunity in the European Union (Malta)

The Management Centre (MC) seeks two interns, one from the Turkish Cypriot community and one from the Greek Cypriot community. The interns will focus on learning all aspects of "fair trade" by working at a Fair Trade Organization in Malta. Fair trade, in brief, is an alternative, more sustainable and socially responsible, approach to conventional international trade where farmers receive fair prices for their products. The internships are being financially (travel and accommodation) supported by TRIALOG.

Duration of Internship:

End of February to end of April, 2007 (approximately 2 months)

Qualifications:

- Involved in the trade business and/or strong interest in trade issues. Suitable applicants need to demonstrate strong educational background or relevant experience.
- Experience working in trade associations, e.g. as a board member is desired but not compulsory.
- Must have at least a university degree.
- The maximum age should be 35.
- Must be fluent in English.
- Be available to spend around 2 months in Malta.
